RESTAURANTS & BARS

- Parking areas can be easily be converted into seating space to expand your dining area capacity.
- Weather can be unpredictable - maximize the use of your outdoor/patio area by covering it with a tent.
- Waiting areas can be expanded to accommodate social distancing – with a tented outdoor entrance completed with lounge furniture and heaters.

HOSPITALS & MEDICAL CENTRES

- Help protect and manage the flow of patients and staff with the capability to separate and seclude from each other.
- Create external and internal areas such as patient waiting areas, storage, and organization rooms.
- Mobile testing sites built with ample height and space to conduct drive thru testing in clinic parking lot accesses.
- Printed markers and signage keep the flow of patients and staff organized and safe.

GOLF COURSES

- Provide smaller shade tents on course to allow golfers a space to wait while waiting for the group ahead of them proceed.
- Expand the clubhouse or restaurant seating capacity to an outdoor area.
- Larger tents can be used to protect extra golf carts or equipment overnight and during inclement weather if needed.

BUSINESSES & OFFICES

- Making space outside your office/business building can be easily set up – from additional room for your curbside services to your annual staff safety meeting.
- Complete your set up with flooring, lighting, furniture, and heating to ensure a comfortable experience for customers or employees
- Create internal/external rooms as needed using our hard wall display systems.

VENUES

- Many venues expand their offerings by using Global to increase usable space already.
- Outside decks and terrace can be tented and enclosed.
- We offer clear top tents to enhance guest experience.
- Large inventory to accommodate up to 10,000 sq. ft.
